

COLEBROOKE PLACE

Location: Colebrooke Place, Islington, London

Client: St Paul's Development Company

Construction Value of Scheme: £6 Million

Architect: Groves Natcheva Architects

Work Description:

The works comprised the Demolition of a Warehouse Commercial office building including mezzanine and the redevelopment of the site constructing new Basement and Ground Floor Commercial space plus 8no. duplex apartments. The contiguous piling operation, basement and underground drainage provided some of the many challenges in a very restricted site with shared access which had to be maintained for adjoining owners.
