

## **KINGS MALL SHOPPING CENTRE**

Location: King Street, Hammersmith, London

Client: MP Kings Retail

Construction Value of Scheme: £8 Million

Architect: Bell Associates

### Work Description:

Refurbishment of the Shopping Centre with particular emphasis to the Landlords Communal areas. This involved upgrading Services installations, new lighting through and raft ceiling systems, stone and tile flooring. A number of shop units were altered and refurbished including frameless glazes shopfronts. Major Demolition and Structural works were a challenge whilst maintaining full trading and opening hours to the retailers.
